

2017 APA LA Annual Conference Call for Volunteers

Preparations for the 2017 APA LA Annual Conference are presently underway. If you have ever wanted to become involved with the APA LA, now is the time to step up and assist the Local Host Conference Committee with conference planning or operations. This is a call for volunteers to assist in a variety of areas such as:

Sponsorships – help make follow-up calls to sponsorship packets that are sent out to potential donors. As a non-profit organization, conference sponsorships are critical to the APA LA capturing funding to help educate chapter members in Louisiana throughout the year.

Awards Program – volunteer to be part of the anonymous APA LA awards jury or assist with organizing the annual awards ceremony at the conference.

Volunteer Coordination – help the chapter keep track of the various student and other volunteers that help run the conference.

Mobile Workshops – lead a mobile workshop and tell the planning story of the host city community or assist in bringing attendees for transport.

If you are interested in answering this call for volunteers, please send your contact information (name, email address and phone numbers) and area of interest to jstenhou@gmail.com. We very much appreciate your assistance!

Sincerely,

2017 APA LA Local Host Conference Committee
